# PRESENCE: THE GREATEST GIFT OF ALL

Merry Christmas from Christ For The Nations and the Lindsay family! What a joy it is to recognize and celebrate the birth of Jesus at this time of the year with church services, wrapped presents, decorated Christmas trees, fellowship with family and friends, and delicious home-cooked meals. Christmas is definitely the most wonderful time of the year. I always look forward to having a hot cup of chocolate, a nice dessert and a good movie at home with close friends. I am sure you all have your special 'to-do list' for this time of the year.

Although Christmas is a time of festivities and contemplative biblical reflection, many often say Christmas has become too commercialized and somewhat disengage themselves from the festivities, and though this may be true, Christians are not blind to the real reason for the season—the Son of God becoming flesh to love, save and restore fallen humanity to a loving Father. Christmas is all about the King of Heaven showing up incognito in a manger. The best gifts are often found in unassuming places, seasons and hearts. I pray that as you navigate the commercialized malls and the million-and-one things for sale, that you do not get lost in the 'presents' and forget the 'presence'

of Immanuel, God among us. His loving presence is the greatest gift.

Thank you for being part of our exciting journey throughout 2019. CFNI led and supported many initiatives here in the USA and around the world. We prayed, laughed, cried and did amazing things for the Lord. We also heard some incredible sermons from our guest speakers and watched our students grow in worship and prayer. We trust your year was as exciting and spirit-filled as ours.

**Your loving support and prayers made the vision and mission of CFNI possible in 2019.** Thank you from all of us here at CFNI. As we close the door of one year and prepare to open the new door to 2020, we pray God's richest blessings for you and your family, and all that you are involved in. We are believing that 2020 will be your best year in God's purpose.

Merry Christmas again and have a Happy New Year!

# Christmas

WITH 'JEHOVAH SNEAKY'

• By Dennis Lindsay

## WHO IS 'JEHOVAH SNEAKY'?

No, I'm not writing about Santa Claus, unless you're referring to the Creator of the universe, Who is truly the actual Father of Christmas. He truly is the 'Santa Claus' of Christmas, as well as the Lord of every godly feast, festival and celebration throughout the year. What is amazing to me is that I have come to realize that our Heavenly Father is just like us. We love to surprise our children and grandchildren during Christmas, birthdays and other special times of the year. If we are made in the image of our Creator, which we are, wouldn't it seem obvious that He would also love to surprise His earthly children, especially those who truly love and serve Him? And this is why I have come to realize He is not only my Savior and Lord, but He is also (affectionately) 'Jehovah Sneaky', not only at Christmas, but throughout the year.

## THEOLOGICAL LABELS

We all know the names of God, such as Jehovah Nissi, Jehovah Rapha, Jehovah Jireh. There are more than a dozen which all begin with the word 'Jehovah'. People are attracted to these names of God because they express basic truths about God's character, such as God as our banner of victory, our provider, our healer and our comforter. These names provide us with a doctrinal message packed into a phrase that is easy to remember, but how about 'Jehovah Sneaky'?

## SNEAKY—AN ATTRIBUTE?

Like the biblical Hebrew names for God, the expression 'Jehovah Sneaky' is also intended to communicate a basic attribute of God. In this case, the intended theological lesson is that you can't really predict what the 'Great I Am' will be up to from one moment to the next. In fact, He frequently shows up

where you least expect Him to—and sometimes He shows up where we least want Him to! He is never late, rather, always on time. Have you ever counted the times in the Bible where God suddenly surprised His people with an unexpected action or directive both for good and for correction? That is the sneaky, behind-the-scenes God of ours—always coming in and blessing us when we least expect it. **The surprise of His blessing is a gift to encourage us to trust Him.** The purpose or "present" He provides is given first of all to strengthen our faith in Him. **Will we trust God until the answer or surprise arrives—one that maybe we never even expected?**

## JOURNALING SNEAKY VISITS

I keep a journal and every evening I record the events of the day. Occasionally, I will put a star beside an event that caught me by surprise—a 'Jehovah Sneaky' surprise blessing that I truly was not expecting. **It seems to be happening more and more as I grow closer to my Lord and walk with Him daily.** In fact, I have plans to write a book entitled, *Jehovah Sneaky* that will encourage readers to realize that this truly is what God enjoys and wants to do with all of His children—not just at Christmas or some special occasion, but throughout the year. Our 'Jehovah Sneaky' is a loving and good God.

## CINDERELLA'S CASTLE

Let me share one example of a surprise that happened in my life unexpectedly. Ginger and I lived on the Christ For The Nations campus after we married. CFN was our home for 39 years and was where we raised our three children, who all attended CFNI. After living on campus for some 35 years, Ginger's desire for a home off-campus became stronger

**HE IS NOT ONLY MY SAVIOR AND LORD,  
BUT HE IS ALSO (AFFECTIONATELY) 'JEHOVAH SNEAKY',  
NOT ONLY AT CHRISTMAS, BUT THROUGHOUT THE YEAR.**

and stronger. I was always reluctant to encourage this desire as I was satisfied with our 50 year-old apartment, not to mention that we had "0" savings for such an investment. Nevertheless, Ginger would often visit homes for sale with her friends. Finally, one day she talked me into joining her just for a weekend tour together. I agreed and together we went home shopping with her real-estate friend, Thelma, who is a believer. At the end of our tour, Thelma asked me which house I liked. Although we had no finances for a beautiful home in a gated community, I responded, "Well, there is only one home which caught my eye. It was the one-level home we visited. I have lived upstairs for 39 years and I'm tired of walking up and down stairs." Thelma responded, "Let's pray and believe God will help us." Next, Thelma went to the bank on her own and offered about half the price of the value of the home. The bank called her and said, "If they want the home, have them come in and sign for it." But, we had no money. To make a long story short, we were able to purchase the Mediterranean style villa close to the amount Thelma offered for 3.5% interest. My brother encouraged me to check into my Social Security benefits, which I did. I signed up and S.S. has paid all of my monthly payments since the purchase of our new home. After we moved in, we enjoyed a Thanksgiving and Christmas feast with Mom just before she graduated to heaven the following spring at ninety-five years young. She commented, "I never dreamed my son would have such a beautiful home." Yes, but 'Jehovah Sneaky' had this surprise waiting for both of us.

Mom also lived 39 years on campus until she moved to her new home in heaven. We entertain staff, students and visiting family and friends, and it is only 10 minutes from our campus. My Cinderella acquired her "castle" and I get to live with her.

**ASCENSION AND PENTECOST**

I find it interesting that 40 days after the Lord arose from the dead and was with His disciples, He ascended to His heavenly home. Then, 10 days later the disciples experienced Pentecost. Likewise, we moved into our new home 40 years after living in our CFN apartment, and in 2020 we will have lived in our home for 10 years. Next year, Ginger and I celebrate our 50th anniversary along with Christ For The Nations Institute's 50th anniversary. What is 'Jehovah Sneaky' planning? We will wait and see.

"For my thoughts are not your thoughts, neither are your ways my ways, declares the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts" (Isaiah 55:8, 9, NIV).

**THE YEAR OF 'JEHOVAH SNEAKY'**

May you have a blessed time of food, fellowship and fun with your family and friends during this time of celebrating the birth of our Savior and Lord, and may this coming year be an exciting and unexpected year of blessing and surprises from our loving, heavenly Father—'Jehovah Sneaky'—unlike you have previously experienced!

# 2019 MINISTRY HIGHLIGHTS

As the year draws to a close, the ministry of Christ For The Nations has taken pause to give thanks once more to God for entrusting us with His precious gifts—His children. Each year, God sends His people from all over the world to our campus to receive training and to work with us, and in turn, shoots us out across the world to shake nations. We could not fully honor God

with our thanksgiving without expressing our deepest gratitude for your involvement in our ministry, whether that has been through volunteerism, participation in our events, donation of finances or prayer. We bless you and pray that you will continue to support Christ For The Nations' mission: to impact humanity with the gospel of Jesus Christ.

# IMPACTING THE NATIONS THROUGH COMPASSION

---

• By Randy Delp

Alumna Judith Jacob Sid directs one of the ten orphanages that Christ For The Nations supports. She reported from India with a concerned voice, but a heart of faith: “These past 14 months have been a painful, valley season and I have been praying that this gets over fast. God is protecting us by bringing the trial at the right time.” Her concern was for Emilie (real name withheld), whose father was unknown and whose mother committed suicide, leaving her all alone. Emilie’s grandmother left her and her brother with the gypsies selling beads on the streets, which was when Judith was able to rescue her. When Emilie became a teenager, the orphanage was able to locate her step-grandfather who could legally take her home. That summer she was sexually abused by a man that she didn’t know. By the grace of God, Judith was able to rescue Emilie again in 2018. Emilie returned full of anger, fear, guilt and shame, but God delivered her from her past and she was

baptized. The Hindu culture is often antagonistic towards Christianity. A child protection services officer removed Emilie from Judith’s orphanage and placed her in a juvenile women’s prison where she is being threatened by the police officers to testify against the orphanage. Judith said, “God has commissioned us to rescue these girls and boys from physical hell, to heal their guilt and wounds, and to direct them to Christ’s love and new life.”

**Every orphan has a story. This is Emilie’s! These orphanages need our prayers and support.**

In another part of India, one of our Associated Bible School directors has an outreach to the leper villages. Christ For The Nations supports the ministry that helps these lepers, monthly. **Would you prayerfully consider giving toward their ministry to help bring the Gospel, healing and support to a group of people the nation considers outcasts?**

# AFRICA SHALL NEVER FORGET

## IN LOVING MEMORY OF AFRICAN APOSTLE

# REINHARD BONNKE

• *By* Rev. Dr. Nevers Mumba

December 7, 2019  
Lusaka, Zambia

### AFRICA SHALL NEVER FORGET

No one knew who I was. I was a 21 year-old boy in 1981 studying to become an artisan in our National Mining Company in Kitwe. Then Reinhard Bonnke came to Zambia.

Thirty-six years later I have served as the leader of Victory Ministries International and as **the first member of the clergy to serve as Republican Vice President of Zambia.** Thirty-six years later, **Zambia has become the first and only nation in Africa to be declared a Christian nation.**

In early 1981, it was announced that a German evangelist by the name of Reinhard Bonnke would visit Zambia and was going to have a series of meetings in all its major cities. He would start in my city, Kitwe. Within weeks, a ten-thousand seat tent was erected and stood out as a new phenomenon in our city. At the time, I served as youth leader at the Maranatha Assembly of God Church under a Canadian Missionary by the name of Gary Skinner. For some reason, Pastor Skinner asked me to interpret for Pastor Bonnke during his first sermon at church before the crusade opened later that evening.

I met Reinhard for the first time in my life in 1981 in that pulpit. He started to preach what I considered a basic message of salvation. **In the middle of his preaching, he**

# THIRTY-SIX YEARS LATER, ZAMBIA HAS BECOME THE FIRST AND ONLY NATION IN AFRICA TO BE DECLARED A CHRISTIAN NATION.

stopped and looked at me and made the following statement, “Eh, you are made out of the same stuff that I am made out of.” This singular statement changed my life forever.

He asked me to continue to interpret for him the whole two weeks of the crusade. My heart was bonded to him and his message changed both my life and my city forever.

Never in the history of my nation had we ever seen an evangelist of such passion and anointing. He ignited a wave of revival which has never stopped to date. At his coming in 1981, it was said that Christians constituted 45% of the population. Today, Christians stand at 96% of the population and Zambia has become the only country on the continent to be constitutionally declared a Christian nation.

Reinhard Bonnke started this movement. He is a household name in Zambia. He focused his faith on Zambia for several years. His ministry, Christ for All Nations sowed a human seed into the soil of Zambia when one of Pastor Bonnke’s closest crusade organizers was killed in Chililabombwe in an accident which burned down a CFAN truck. Reinhard himself flew back to Zambia and retrieved the body. He called this loss “a seed sown in Zambia”, which would germinate and grow into full salvation of the nation. Reinhard wept. As a nation, we have a redemptive history with Reinhard and CFAN. **Zambia is a Christian nation because of his investment of faith.**

Pastor Bonnke took me up as his own son. He believed in me before I even knew myself. **He sent me to Bible college at Christ For The Nations Institute in Dallas, Texas, and paid for it.** Upon graduation, he mentored me and purchased the equipment I needed to launch an evangelistic ministry in my nation. While he carried the banner of “Africa Shall Be Saved”, I have carried the banner of “Zambia Shall Be Saved” to date. He was present in my life until he returned to the One who called him to Africa in the early hours of December 7, 2019.

In 1995, after he was a guest at our Victory International conference in Lusaka, he said to me, “**Nevers, I am not coming back to Zambia after this.**” I asked him why, and he said, “**Because you are here and able to handle it. You**

**don’t need me.”** However, he mentored me from afar. **He supported me, both in prayer and finance, for 36 years.** In 1997, I was faced with a huge decision concerning joining the political process. I had two authorities to contact: one was Mrs. Freda Lindsay, President of Christ For The Nations in Dallas, Texas, and Reinhard Bonnke, President of Christ for All Nations in Frankfurt, Germany. I asked for their counsel concerning my desire to join politics. It took Reinhard three months to answer, but when he did, **he was very clear that he had heard from the Lord for me to take my faith into the political process,** like Joseph of the Bible did. He gave me his blessing to go into politics.

Nevers Mumba,  
Former Vice President of Zambia and CFNI alumnus

Mrs. Lindsay's letter came much later with the same response. Soon after that, I became Vice President of Zambia and am now the President of the former ruling party, the Movement for Multiparty Democracy, preparing to run for President in 2021.

If Reinhard had not come to Zambia, perhaps she would not have become a Christian nation. If he had not come, there would have not been a Nevers Mumba who became the first Evangelist to become Vice President. Because he came, Zambia is, and I am.

Pastor Bonnke invited me to what he considered life-changing events. He invited me to the 2000 Millenium Crusade in Lagos, Nigeria, where he addressed his largest single crowd of 1.6 million people. I shed tears of joy at the sight of such a harvest of souls. He invited me to Orlando, Florida, to celebrate his fifty years of ministry in Africa and asked me to speak at the event when Pat Robertson could not travel for health reasons. He invited me for his last African crusade in 2017 in Nigeria, but I could not travel at the last minute for political reasons. This was his way of mentoring me to the end.

My last emotional interaction with Reinhard was last year in April 2018, after he heard that I had been thrown in jail for political reasons. After my release, he sent me a note encouraging me not to give up. He also sent what has now become the last financial gift to "help" me after my jail experience. What touched me is that the gift came from his personal account. What type of love is this? God gave me the best mentor and the best spiritual father. He loved and cared until the end. I later found out that when he sent me his last gift, his health had started to fail him.

I am sure my story can be told by many Africans across this continent who have been impacted by this "African Apostle." 79 million souls later, he now rests in the arms of the One who commissioned him to Africa. This legacy is unparalleled.

Just like Jesus stood up for Stephen when he showed up in Heaven, I believe the Lord Jesus and the heavenly host have given a standing ovation as Reinhard makes his grand entry into Heaven. Until we meet again, Reinhard.

Africa Shall NEVER forget.

# cfni student TESTIMONIES

Eric Villanueva, a graduate of the CFNI Pastoral Major and current Creative Media Major student, shared with us his journey to CFNI: "I didn't choose CFNI. My choice was to go on tour, but God chose this. I came as a youth leader to YFN and ended up winning a partial scholarship that I didn't even want. Then, a guest speaker called me out and "read my mail", and one of the things he said was, **"God is calling you to further your education in Him, but you're hesitant."** I didn't have the money, but came anyway. At one point I was about to get dismissed, but then I got a scholarship to work in the gym. I was handpicked, called out, and provided for! God literally could have sent me anywhere, but He sent me here, and I'm grateful. CFNI was God's choice, so to me, that means it's the best choice!"

Adom Spencer, a 2nd-year student. "It was 2018, and I had just finished my fifth summer at YFN and was serving as a youth leader for the first time. Being at YFN really reminded me of what had been prophesied over me: that I'm called to be a pastor. So, I was asking the Lord, "What does it take?" Little had I realized that YFN being held on the campus of CFNI provided the answer, right in front of my face. God started revealing that I was supposed to come to CFNI.

This semester is the most I've ever gotten wrecked in my entire life. During my first year, I was really curious about the Holy Spirit living inside of me. This semester has really been about knowing the Father. **It wasn't until I took the Father's Heart class that I just felt so loved and protected like I've never felt before.** Last year I

would worry instantly, but now I just don't, because I know God has my back.

Also, since I came to CFNI, I have boldness to evangelize. Joshua Generation has helped me so much. It's given me boldness knowing that this is my God, my Father, my Jesus, my Holy Spirit. Why am I afraid to talk about Him? It's not just that He's living in me. He and I are completely one."

Stephanie Mata, a 2nd-year student, began her first year at CFNI struggling with insecurity, depression, and anxiety. She shared with us a beautiful testimony of how God has fully restored and transformed her heart! Here is her encouragement for those battling insecurity, depression or anxiety:

"Surrender. Surrender who you thought you were. Surrender the lies that have tried to infiltrate your mind. Give it all to God. Let Him do the work. When we are in the state of depression or insecurity we focus so much on what is wrong with us when God is trying to deposit Truth into us. It can be hard to receive but allow God to love on you. God had to teach me to receive His love and through that, I found freedom. Just surrender. God will love the insecurity, anxiety and depression away."

#### PASSION PLAY HIGHLIGHT

In 1633, the residents of Oberammergau, Bavaria, Germany, vowed that if God spared them from the bubonic plague ravaging the region, they would thereafter produce a play depicting the life and death of Jesus every 10 years, for all time. After their vow, the adult death rate had dwindled from 20 out of every 1,000 people to one death in the month of July, 1633. The villagers believed they had been spared and thus kept their part of the vow when the play was first performed in 1634. **The play has been performed once every 10 years** since this first performance as a testament to the goodness of God. This is the 10th year!

# WHY TRAIN MARKETPLACE WARRIORS?

“Do you think the work of harvesting will not begin until summer ends four months from now? Look around you! Vast fields are ripening all around us and are ready now to harvest” John 4:35 (NLT).

• By Dr. David Robinson

**W**hat is the significance of ‘four months’? Since there are three months in a season, we are tempted to think that we can put off the harvest until the next season, when in actuality, today is the season and now is the time.

There is an ever greater significance when we consider the fact that the harvest is already wasting in the fields—the marketplace. Statistics tell us that, on average, two people die every second around the world. That means that 20,736,000 people die around the world every four months.

The second reason I believe the time is ‘now’ is because the ‘banquet table’ is set, according to John 4:35. Heaven is ready. All the preparations have been made. We only await the invitation to come home. Until the invitation is given, we must remain an occupying army, commissioned by Christ to gather the harvest during our season of harvesting.

The third indication that the season is now is that the harvest is ripe. The Bible says that the harvest is ripe. However, the active harvesters are few. According to Matthew 9: 37, 38, “The harvest is great, but the workers are few.”(NLT)

The harvesters, full-time marketplace ministers, are in the field. However, according to Matthew 20:6, they are idle. “And about the eleventh hour, he went out, found others standing, and saith unto them, ‘Why stand ye here all day idle?’” (KJV).

Why train marketplace warriors? Because that is where the real battle for the souls of men is fought, and won or lost. Why now? Because every day, approximately

150,000-175,000 people die with their eternal destiny hanging in the balance. Why train them at CFNI? Because CFNI Founder, Gordon Lindsay, made this statement in 1955, fifteen years before its humble beginning: **“We do not need more Bible schools, there are many good ones. We need a training center where we can train men and women how to enter and take cities for God.”**

CFNI has made a fresh commitment, not only to be a premier training center for full-time vocational, church and missions leaders, but a place for raising up full-time marketplace ministers, those God is calling to business, government and education. If God is calling you to full-time marketplace ministry, CFNI is committed to helping you be ready.

# Signs & Wonders

## at Christ For The Nations

America is being saved! From October 30 to November 1, we held a Gospel campaign entitled "Jesus Tent" on the campus of Christ For The Nations. We met under a big, white tent, resembling the tent meetings that characterized the healing revivals of the '40s, '50s and '60s. It was a remarkable experience and we are excited to share with you the results from the Jesus Tent! Thousands called upon the mighty name of Jesus for salvation and then eagerly hung upon every word about becoming Spirit-filled. Unity

swept the tent each night as hands were raised in one accord, and Jesus was boldly proclaimed as Savior and Lord. The Lord confirmed His word with great signs, wonders, healings, and deliverance. Each night we heard faith-building testimonies of God's supernatural healing. **Our team is now working with the local churches to ensure that the new converts receive a follow-up and find a local church home for discipleship and growth.** We praise the Lord for this mighty harvest of souls!
