

2024 ANNUAL REPORT

Christ For The Nations

LETTER FROM THE *President*

In 2024, at the Christ For The Nations Envision Gala, my parents, Dr. Dennis and Mrs. Ginger Lindsay, announced the passing on of the presidency of the organization to me. Having been elected President & CEO by CFN's Board, I now look forward to an exciting new chapter as we continue to build on the strong foundations laid by my parents, and grandparents, Gordon and Freda Lindsay. I am grateful for my father, whose leadership, dedication, and humility have been instrumental in guiding our organization since he joined CFN in 1973.

2024 was a great year of advancing the original mission of Christ For The Nations: training and equipping world-changers, and sending them into every part of the world.

The ongoing work of the Lord at CFNI has transformed thousands of lives for more than 54 years by educating and developing Christian men and women from around the world to take Jesus' love, power and truth to the nations. With over 40 nations represented each semester, CFNI is a thriving multicultural and multiracial community that is focused on integrating faith and service.

Each semester, CFNI gives scholarships to over 100 international students who otherwise would not be able to afford tuition, housing and meals. We are able to do this great work because of the support of faithful friends and partners like you. Because of your generosity, the Gospel of Jesus is being preached in every corner of the Earth. Because of you, thousands of men and women are discovering their spiritual identity and are pursuing their calling. Every week we hear of amazing stories and testimonies from our alumni who are planting churches, starting schools, building orphanages, serving in media, worship and Christian education, and influencing politics in their countries.

On behalf of Christ For The Nations, I am honored to say a heartfelt THANK YOU for partnering with us to achieve Kingdom Impact. Thank you for investing in the Kingdom of God!

WHO WE ARE

Christ For The Nations is a global non-profit missions organization that is changing hearts and influencing nations around the world. Since its founding in 1948, by Gordon and Freda Lindsay, our organization has spread the Gospel of Jesus through Worship, The Word, and World Missions. The International Ministries programs of Christ For The Nations continue to make a global impact. So far, and with the help of giving partners, we have helped complete 12,150 church buildings in over 100 countries through the Native Church Roofing Program, provided over 64 million free Christian publications to over 120 countries, built an association of over 50 affiliated Bible schools in 30 countries, provided thousands of dollars in world relief resources, supported foreign orphanages (led by CFNI alumni), international missionaries and Israel.

In 1970, Christ For The Nations established the Institute (CFNI) as a three-year multi-generational, multicultural Bible school to train world changers who are passionately pursuing their God-given assignments for Kingdom impact. Students, and 40,000+ alumni from over 170 nations, have received training from CFNI and have gone on to serve in ministry, missions, media, education, government and businesses across the globe. Graduates of CFNI know God's Word, are devoted Christians, and love to communicate the Gospel of Jesus Christ wherever they go!

MY STORY

Wiwik Saragih

INDONESIA

Through the generosity of giving partners, God blessed me with a CFNI Scholarship and brought me all the way from Indonesia to Dallas, TX to be trained and prepared for His calling upon my life. As a student, God has healed me and renewed my mind to know my true identity as a child of God, giving me the confidence to say yes to His will, and trust Him. After I graduate from CFNI, I will continue to minister to God and His people by starting a non-profit organization, building a prayer tower, and planting a church. I believe this is only the beginning!

STUDENT IMPACT

Out of almost 700 students enrolled, 244 students from 36 nations graduated at our 2024 commencement ceremonies, joining 40,000+ alumni world changers from over 54 years.

MY STORY

Alena Zubchuk

RUSSIA

In 2022, after significant changes within our home country of Russia, my husband and I prayed for God's direction. We strongly felt led to leave, but didn't know where to go. A week later, and 2 years after my original application, I received an email from CFNI blessing me with a CFNI scholarship. It was the Lord's confirmation for our next step! For the last three years, the Lord has been strengthening my spiritual identity, deepening my daily devotions, and teaching me to trust His timing. After graduating, my husband and I believe our calling is to continue serving the American people as missionaries. It was American missionaries who actually led my parents to Christ in the early 1990's, after the fall of the USSR. Now, as America faces spiritual challenges, we feel God preparing us to step in and be part of His work in this nation.

Daniel Bernal

COLOMBIA

After seeing people's lives shaken by the COVID-19 pandemic, I realized that I had been placing my hopes and dreams in earthly things. I decided that I must surrender everything to Jesus and seek His direction and security. He gave me new, Godly dreams and brought me to CFNI! Here, I've experienced the healing love of my Heavenly Father, and through the classes, community, and my work as a scholarship student, I've learned about my calling in Christ. Now, I am a co-pastor and a leader in a national children's ministry. After graduating, I will complete my practicum and help establish children's ministry programs in different nations.

MY STORY

Thiện Ân Trần

VIETNAM

When I was in Vietnam, I usually served at my church's media booth. I didn't have a lot of chances to learn the Bible so I longed for a deeper relationship with God. I heard about CFNI from their Youtube channel. I watched chapel online and wished I could be there to study the Bible. I applied and thankfully I received a CFNI Scholarship, which has changed my life. At CFNI, I not only study the Bible but I also learn about using media to share the Gospel. After graduating, I pray that God will continue to use me in Vietnam, and I pray that through my video production skills, His Kingdom will be spread throughout the world!

Salifyanji Simwanza

ZAMBIA

CFNI has always been a big part of my life. My parents are CFNI alumni who attended from 2011 to 2014, and my aunt and uncle are alumni. Also, the former vice president of Zambia, Dr. Nevers Mumba, whom my parents serve under, is also a CFNI graduate. Through the generosity of giving partners, the CFNI scholarship program has helped me to study here and I have encountered God in ways I have only read about but never imagined possible. God has transformed my life! After CFNI, I will pursue higher education in medicine, to bring Christ to hospitals.
